

Tax credit help available at TEAM

Derby non-profit agency TEAM Inc. is a tax assistance location for workers seeking to qualify for the Earned Income Tax Credit. Tax season is here and many people may not be aware about how to qualify for the credit, which is one of the nation's largest anti-poverty programs.

Anyone with earnings under \$51,567 should see if they qualify at irs.gov/eitc, or

visit a volunteer tax assistance site. This credit in combination with others can increase refunds to working families allowing them to reduce debt, save for the future or invest in a home or education. Free volunteer tax help is available to those who need assistance in preparing their own tax returns.

IRS-certified volunteers are part of the Volunteer Income Tax Assistance pro-

gram, a nationwide initiative, offering families a free and easy way to access refunds and tax credits. VITA provides free electronic filing for federal and state tax returns. Taxes are prepared by volunteer tax preparers who ensure that each taxpayer receives the tax credits and deductions they are qualified to claim.

TEAM, Inc. 30, Elizabeth Street, Derby, is offering

consultation by appointment only on Monday afternoon, Wednesday night and Saturday morning and Derby Neck Library by appointment only on Sunday afternoon, call: 203 736 5420 ext. 206 between January 28 and April 14.

Those applying for the credit should bring prior year's tax return and all supporting documents for the 2013 tax year.
