

TEAM offers energy assistance

TEAM Inc. is offering financial help to residents to help offset their winter heating bills.

Households qualify for assistance if they fall below these income levels: \$32,190 for a household of one, \$42,094 for a household of two, \$51,999 for a three person household and \$61,904 for a four person household.

"This winter's freeze is in full force and we want to help

families who are financially struggling to pay their heating bills," said Ellen McAuliffe, TEAM Manager of Energy Assistance.

Applicants are eligible based on review of their total gross household income, such as job earnings, unemployment compensation, Social Security and pensions. Household size and liquid assets are also considered. If an applicant is approved for assis-

tance, TEAM will make direct payments to their home heating provider.

Both homeowners and renters who are residents of Ansonia, Beacon Falls, Bethany, Derby, Milford, Orange, Oxford, Seymour, Shelton and Woodbridge can apply for energy assistance from TEAM.
