Neopost USA Employees Support Toys 4 Kids

Derby, CT, December 11, 2012 — During the past twelve holiday seasons, Neopost USA and TEAM, Inc have enjoyed a unique partnership to provide smiles to children. Employees of Milford-based Neopost USA raise money through a variety of year long events at the company to allow for the purchase of bicycles for area children.

“The success of this program year after year demonstrates the generosity and commitment to the community by our engaged and results- oriented employees. The spirit of giving runs throughout this organization from raising the money to actually building the bikes,” says Neopost USA President and CEO Dennis P. LeStrange. “Our employees have a long tradition of generosity and a strong sense of giving all year round through this and many other charities that benefit our community.”

“Neopost employees are an extraordinary group of socially-conscious residents. Their continued philanthropy has endeared them to the region’s families and our staff at TEAM.” says Richard Knoll, President and CEO of TEAM.

On December 12, Neopost USA will coordinate two truckloads of bikes for delivery to TEAM for the Toys 4 Kids program. The bikes will be distributed on December 17th and 18th in Seymour, CT. Bicycles are distributed through a lottery program for families and individuals who registered

for the annual Toys 4 Kids program. From the start of this partnership, Neopost USA employees will have donated over 2000 bicycles to children.
