

## Housing Forum – Town & City Attendance/Participation (Jan/2020)

Below is an analysis on percentage of attendees & their Town/City – however, there are many examples of individuals that work within one or more of these 10 Towns/Cities but reside outside of these 10 Towns/Cities. So while their housing-related work may be in these 10 Towns/Cities, we did not have successfully captured that (will require individual follow-up).
